

# *Allergy testing and treatments with minimal out of pocket costs*

The Australian Allergy Centre provides comprehensive assessments for patients who present with:

- Allergic rhinitis
- Food allergy
- Asthma
- Mouth breathing
- Snoring and sleep disordered breathing
- Contact dermatitis

## **WE CAN OFFER THE FOLLOWING DIAGNOSTIC ASSESSMENTS:**

- Allergy skin prick testing (for both food and environmental allergens)
- Contact patch testing
- Sleep, airway and breathing assessments

## WE CAN OFFER THE FOLLOWING TREATMENTS:

- Immunotherapy for treatment of allergies
- Rhinolight® Therapy (UV nasal phototherapy) for treatment of allergic rhinitis
- Case conferencing with paediatric and adult ENT (providing surgical options for treatment of sinusitis, tonsillectomy, adenoidectomy)
- Sinus ultrasound for the treatment of chronic sinusitis (only at Bella Vista location)

## WHY AAC IS DIFFERENT?

- Short wait lists
- Minimal out of pocket costs (Medicare-funded testing)
- Comprehensive referral report to the patient's GP (including results of all testing, recommended actions and management plan as well as additional information we deem useful)
